

Table of Contents

Table of Contents.....	2
I. Introduction.....	4
1.1 Background Information.....	4
1.2 Heat Exchanger Information.....	5
1.3 Fault Tolerance.....	7
II. Problem Definition.....	9
2.1 Problem Statement.....	9
2.2 Requirements and Constraints.....	9
III. Project Implementation.....	11
3.1 Design Methodology.....	11
3.2 Deliverables.....	13
IV. References.....	15
4.1 Faculty Advisor.....	15
4.2 Text References for General Information.....	15
Appendix A: Patent Search Results.....	16
