Texas Space Grant Consortium Undergraduate Scholarships have been established for junior and senior-level students interested in space-related education and research. These scholarships are intended to recognize high-quality students and encourage their consideration of graduate studies. The scholarships stress:

- Excellence in academics
- Participation in space education projects
- Participation in research projects
- Exhibited leadership qualities

These $1,000 scholarships are nontransferable. Award payments will be made in two equal installments of $500. TSGC encourages participation by members of underrepresented groups.

ELIGIBILITY
All NASA/TSGC Undergraduate Scholarship recipients must be:

1) Citizens of the United States
2) Registered as a full-time student at a TSGC member institution in good standing as
   a) A junior or senior at a 4 year school or
   b) A sophomore at a 2 year school or
   c) A first or second year student at a medical school
3) Demonstrate excellence in academics
4) Show interest in space-related education and/or research, as reflected in a written personal statement.

DEADLINE
Scholarship applications must be submitted on-line by March 5, 2004.
